BRAND MESSAGE

There are easier paths in life than launching a watch company, but that's exactly what Founder & Stührling Executive Officer, Chaim Fischer, decided was his calling. By starting at the top with an elite team of first-rate watchmaking legends, Fischer laid the groundwork of a timepiece on par with greats like Rolex and Omega. Now, 15,000,000 watches later, Fischer's dream has come to fruition.
